Connection Fee

(Single Family Residential--Does not include cost of meter, installation or SDCWA capacity charge.)

\$2,807.18 per EDU³

Sewer Charges

Residential customers' sewer charges are based on a flat rate.
Industrial and commercial customers' sewer charges are based on water consumption and average suspended solids.

Miscellaneous Fees

All customers are subject to a pumping charge of \$0.04 per 100 cubic feet of water for each 100 feet of lift or fraction thereof, above a base elevation of 450 feet.

Footnotes

1. Industrial and commercial customers' treated water rate for publicly owned meters is \$1.86/HCF.
2. Reclaimed water use is limited to construction applications and landscape irrigation. For publicly owned meters the reclaimed water rate is \$1.59/HCF.
3. An Equivalent Dwelling Unit (EDU) is approximately equal to one Single Family Residence.
